

WHY---

has our business been so good for the five years we have been in Meade, showing an increase every year as follows:

First year over \$10,000 business done.
Second year showing 27 per cent increase over first year.
Third year showing 4 per cent increase over second year.
Fourth year showing 18 per cent increase over third year.
Fifth year showing 33 per cent increase over fourth year,
and better than double our first year.

Because of—

Service
Quality
Right Prices
Courteous Treatment

If our store is not your store we should become better acquainted at once.

Yours for a big 1916,

M. & M. Drug Company
